This brand new two bed wide angle of spectacular northeast facing, "Hyde Park" bright morning sun reflect to every angle of the living space.

Beautiful natural materials and textures form a harmonious whole. Elegant pale limestones, oak timers, and soft grey hues are complemented by shots of graphite and bonze to create layers of luxury throughout the spaces. The arched architectural motif seen in the building's signature scalloped windows is hinted in subtle curves found in elements such as countertops, etched mirrors, and cabinetry.

Magnificent Miele entertainer kitchens, free-flowing living spaces and rich artisan detailing are designed for enduring elegance and appeal.

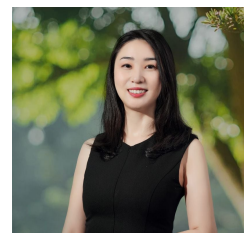

In a graceful pairing of past and present, the beautifully restored historic Porter House will house a luxury M Gallery
