

## 57 Windsor Road Norwest NSW

La Vue introduces a magnificent residence, comprising a unique collection of 3- & 4-bedroom townhouses, open plan spaces with high-end inclusions, the warmth of your own fireplace, and at least 2 multi-functional rooms that you can make your own, for play, wellness, study or relaxing. This home is for the whole family, bringing generations together with space for everyone.

Luxuriously wide living rooms enhances the sense of spaciousness, while you savour the wonderful flow-through layout of the home, and gaze over the landscapes of Norwest on sun-drenched terraces.

The vision and purpose is to design luxury residences encompassing environmentally responsible and sustainable values. Solar electricity generation is standard with your home, with battery upgrades available. Leaving a
