

14-16 Hill Road Wentworth NSW

Sanctuary is a highly anticipated community development located at Wentworth Point, just 16 kms from Sydney's CBD. This unique masterplanned estate, which puts family, community and the environment at the heart of its experience, is set to be one of Sekisui House's most celebrated Australian residential developments.

A unique Masterplan that celebrates luxury living and community connections embraced by nature. The new way to live.

Appealing to your senses and to your good sense too, nature's space, textures, colours, water and light make living at a true sanctuary.

Your sense of balance is about to be rebooted. Sanctuary
