

21 Terry Road Box Hill NSW

Sydney's North West is becoming an increasingly popular place to live. The new community at Box Hill and Box Hill Industrial will benefit from up to 9,600 new homes and the delivery of local amenities close to transport options.

Kitchens form the inviting heart of your home where you'll love to gather friends and family around the breakfast island as you cook up a storm. A suite of stylish finishes and leading appointments combine to create spaces that are wonderfully efficient and comfortable to entertain in. Calacatta marble-inspired engineered stone benchtops and splashbacks are paired with Polytec joinery in complementary grey and timber-grained finishes. Fisher & Paykel stainless steel appliances, soft-close cupboards and drawers and under-cabinet lighting add the finishing touches.
